Part IV - Report of the Deacon	
Brief Narrative	<p>I have been living out my Deacon's call by serving as Pastor of Congregational Care for Grace United Methodist Church and serving currently as a full-time hospice Chaplain (non-appointment). Through prayer, teaching, sacramental assistance and administration, leadership of the Care Team, and relational outreach, I seek to offer Christ-centered compassion to all members. A significant aspect of my ministry as a Deacon involves direct relational engagement with congregation members. Responsibilities include:</p> <ul style="list-style-type: none"> <li>• Making regular care calls to offer support, encouragement, and spiritual listening.</li> <li>• Conducting home visits for individuals experiencing illness, bereavement, life transitions, or isolation.</li> <li>• Collaborating with the care team and the pastoral staff to ensure continuity of care and follow-up as needed.</li> </ul> <p>I have taught a 4-week course on the Basics of Process Theology and preached in worship on a quarterly basis to fulfill my call to teaching and proclaiming the Word.</p> <p>I feel especially called to walk beside those who have daily struggles, which include facilitating a Caregiver Support Group which meets monthly. It is my strong belief that we serve the world by showing compassion and care to those who cross our paths inside and outside of the church walls.</p>
Describe	<p>Here are a few things I envision for the future</p> <ul style="list-style-type: none"> <li>-To open up our Caregiver's Support Group to the surrounding community in South Denver.</li> <li>-Enquire about the need for a Grief Support Group</li> <li>-To further develop our prayer vigils and times of community prayer - praying for the needs of the Church and the world which can bring awareness to the great needs.</li> <li>-Use devotional moments, home visits, and care calls as opportunities to invite people into outward-facing compassion.</li> </ul>
Continuing Education and Spiritual Growth	<ul style="list-style-type: none"> <li>-I attended an online Process Theology Conference "Renewing Faith" with the Process &amp; Faith Network in Jan 2025</li> <li>-Attended an educational talk at Judi's House which seeks to address the Grief of Children and Families August 2025</li> <li>- I attended a Conference in September Boulder given by POAMN (Presbyterian Older Adult Ministries Network titled "Bridging Generations"</li> <li>- I have taken several continuing ed trainings for my hospice chaplain position at Dignity</li> </ul>
